## TO A PATIENT MAN

We could have said to a little man; he is only five foot six, or to a conservative man; he always dresses and acts quietly. We could have said to an elderly man; he is approaching sixty-one, or to the Senior Honor Society sponsor, or the Senior Council sponsor, or even the Senior Class sponsor. We could have said to a teacher; he certainly is that. But of these, *patience* pictures him best.

Patient in his studies and work. In 1912 he entered Moores Hill College; in 1948, he attended Butler University Extension. In between times he spent fifteen school years in colleges and universities, gathering an A. B. and M. A. degree in passing.

Patient with the students. Since he started at Warren in 1930, he has been an aid to the students. He aids them in the government and economics that he teaches and in the organizations he sponsors. He has aided *Warriors* to go to college with a scholarship. His thirty-eight years in the field of education testifies to this bachelor's sincerity and patience.

*Because of these things and many others*
*We, the Senior Class of 1951, dedicate our Annual*

***Mr. Fred L. Pierpont***

*The price of freedom:* The year 1951 finds every medium of communication channeling stories to the American public about restrictions, limitations, price controls, wage ceilings and so on ad infinitum. Out of it all, reflected in many ways, is expressed the attitude of American citizens about controls: Americans do not like them. (Lest there be misunderstanding, however, we recognize that loyal citizens have responded quickly and favorably to present controls as needed measures to meet an emergency.)

Pupils and teachers reflect an attitude about controls similar to that of the general public. Why do we have them? For what price can we free ourselves from them?

The American way of life at its theoretical best would need but few controls. Citizens would be busily and happily engaged in making living better for all, each citizen ever mindful of the happiness and well-being of others and accepting the well-being of others as being of equal importance to his own.

The extreme in controls comes when the individual is entirely devoid of consideration and love for others. Lost in selfish endeavors we may find it necessary to contain him behind prison bars. Controls completely envelope him.

Within a school the degree and amount of control rest with those who are the school. When first interests of the individual lie in the success and happiness of the entire school, when groups of pupils and teachers are eager for all groups to succeed, when the Golden Rule is accepted as an opportunity rather than as a command, when self-restraint prevails, when hands and hearts and minds work with others and for the success and happiness of all, then controls will fade away. We will come into our inherent rights, the possession of the freedoms and liberty we crave.

*This is the price of freedom.*

# *Administration*

In the past year Mrs. Rodden received the highest professional honor obtainable in the field of guidance when she was given professional membership in the National Vocational Guidance Association, Inc. Membership in this organization recognizes her achievement as well as experience and training in the field of vocational and general educational guidance. She was one of the few who received the certificate of professional membership from the National organization of the Vocational Guidance Association, Inc.

Mrs. Myrtle M. Rodden, dean of girls and vice-principal, earned her B. A. degree at Indiana State Teachers College and her M. A. at Indiana University. She furthered her education by doing graduate work at Purdue University, Butler University and Columbia University.

Idle moments are as rare in summer as in winter for Mrs. Rodden. For the past six summers she has taught in guidance conferences at Butler and has also assisted with and taught in many other guidance conferences and workshops.

In the past she has served as President of the Indiana Deans Association and is now a member of the Executive Board of that organization. She is now serving on the Board of Directors of the Central Branch of the National Vocational Guidance Association of which she is a member.

For the past two years she has served as President of the Beta Chapter of Delta Kappa Gamma, the highest national honorary professional organization.

Long active in civic affairs, Mrs. Rodden is a member of the Indianapolis Business and Professional Club and has served as chairman of several committees. In the last club year she served as chairman of the Program Co-ordination Committee.

For the past five years she has been a member of the Y.W.C.A. Board of Directors and has been an active committee worker in the organization.

*Mr. Fred Rodebeck*, dean of boys and vice-principal, is a graduate of Central Normal College. He received his B.S. degree from Purdue University and has also attended Indiana and Butler Universities. In past years he has been a participant in guidance conferences and workshops at both Purdue and Butler. ## *The Big Chief*

**Coach *Vaughn Wood*, who has completed eight seasons as Warren's head football coach, seems deeply engrossed in conversation with the mythical figure seated next to him. However, this interested listener, with a football for a head, is not likely to pick up the finer points of the gridiron sport as rapidly as did Coach Wood's real quarterbacks of the past season.**

Don Brune (72) rushes up to stop a Noblesville player after a short gain. Other Warriors in pursuit are Wayne McCord (91) and Jerry Steffey (98).

Jim Shirey and another Warren player drop a Lawrence runner as Kenny Brown (69) charges in to help on the play.

### *Warriors Break Jinx, Gain 0-0 Deadlock In Opener*

The Warriors traveled to Roosevelt Stadium for their traditional season opener with Southport. The hosts were defending county champions, having scored ten straight victories the year before. The Warriors had gained but two wins and one tie in competition since 1936. Both lines played brilliantly. Southport established a first down on Warren's one-foot line in the fourth quarter but were then stopped cold. An earlier Cardinal touchdown bid was ended by Jack Burton's interception on the four-yard line.

### *Mastery Over Visiting Tigers Is Retained*

The Warriors opened their home season, winning, 30-6, in the third of a series with Greenfield's Tigers. Warren had previously won by scores of 27-0 and 42-6. Sophomore Jim Shirey stole the show with an 82-yard runback of the kickoff following Greenfield's fourth-quarter score. The Tigers had scored following a blocked punt, but the game was already beyond recall. Charles Huffman scored twice, once after pulling in a wobbly pass originating from the Warrior 48. Jack Burton and Wayne McCord also added six-pointers.

### *Warriors Besmirch Champ's Record With 7-7 Draw*

The Warriors were next called upon to stop county championship-bound Ben Davis. The Giants were to complete their first unbeaten season, but the Warriors blotted their record before a near-capacity home crowd. A third-quarter pass play sent the Giants ahead, 7-0. But Quarterback Huffman was clicking with his passes, finally hitting Bill Henke in the end zone. The Warriors outplayed the champs most of the way, throwing up a solid defense, outdowning them, 6 to 2, and intercepting five passes while Huffman completed 4 of 10 himself.

### *Flashes' Passing Attack Fails To Stop Warriors*

Warren, never a loser to Franklin Township in their post-war rivalry, notched another victory, 19-0, on the Flashes' gridiron despite the potent passing of Franklin's Phil Wampler, who passed for nine first downs during the evening. The game was still young when Bob Hogan scooted through center for five yards and six points. Before the half was over, Wayne McCord had pulled in a stray pass and raced back 40 yards for another TD. Jack Burton had an even longer journey for his score, racing 50 yards off tackle in the third period.

**Charles Huffman, 84, lugs the ball while pursued by three Noblesville players. Harold McGuire is sprawled on the ground and Bill Hannah, 95, is pictured in the background.**

### *Surprising Hornets Extinguish County Title Hopes*

The unbeaten skein of the Warriors came to a premature end when Beech Grove produced a 6-0 upset. It was the first loss ever to the Hornets and ended a hope for a 1950 county championship. After a scoreless deadlock in the first half, Beech Grove took the second-half kickoff and scored before relinquishing the ball. Two successive Hornet passes accounted for a total of 41 yards and six points. Warren later fumbled away several promising counter drives.

### *Small But Speedy Bears Score 18-7 Victory*

The Warriors bowed next to their old rivals, Lawrence Central. The small, fast-moving Lawrence backfield romped through gaping holes in the Warren line. An intercepted pass led to the Bears' first touchdown by Gar Walsmith. The tribe yielded to another score when a bad punt rolled out on the Warrior 33. With the score 18-0, Huffman launched some precision fourth-quarter passing. The drive started from the one-yard line. He connected seven of eight times, and the Warriors had their only points.

### *Unbeaten Noblesville Adds To Deterance*

Noblesville's Millers, one of the three unbeaten, untied teams in the state in 1950, almost saw their streak cut short by the Warriors, but prevailed, 25-12. It was the last home game for nine seniors on the team. Quarterback Charles Huffman and Halfback Jack Burton combined their talents for a pair of touchdowns, Burton took a handoff from Huffman in the opening minutes for the first score and then pulled in a pass heaved by the Quarterback in the third period.

### *Revenge-Minded Howe Annexes 48-0 Victory*

Howe's Hornets proved they were anxious to forget about the 13-0 upset dealt them by Warren in 1949. Leo Ahearn, who had missed a sure chance to land a position on the all-city team because of an injury, was back in old form at halfback. He just missed scoring Howe's first of seven touchdowns when tackled just short of the goal line but had latereled to Jack Melli who scored. Howe had far too much power, but in the all-time series between the two schools, Warren has gained 4 victories and one tie in in eight starts.

# *On the Hardwood, 1950-51*

For a while, the crepe-hangers had a banner year in 1951. (This year's edition of the Warriors attained but four victories in 20 starts. The pessimists were patting themselves on the back when the Warriors picked up a 10-game losing streak left over from the 1949-'50 nightmare and extended it to 19 straight before Pike was finally beaten, 52-48.

The jeers of the skeptics choked in their throats when three more victories were added to the record in the last month. Even Ben Davis and Cathedral had difficulty forcing a weak smile when they gained close decisions in county and sectional tourneys, respectively. Two other powerful city teams, Broad Ripple and Washington, were all but upset during the Warriors' renaissance.

In April, it was announced that Coach Ralph Clevenger would not return next year to the coaching job he had held since 1936. Despite the won-lost record, followed by this surprising news, there were several cheerful aspects to the season.

In the first place, senior Bob Hage lapped up many venerable Warren scoring records, some of which had been aging like fine wine since they had been set by the players of Mr. Walter Mowrey's starstudded teams of the 1920's.

Secondly, the Warriors snapped their losing streak against their old rivals, Lawrence Central. The Bears were county finalists in 1951, but on February 10th, the Warriors gained sweet revenge for past defeats, by embarrassing Gar Walsmith and Co. on their home floor, 55-45.

However, the brightest aspect of the season was the promising outlook for the future. In addition to Hage, the team was to lose only two lettermen - forward Roger Oertel and reserve guard Warren Sprunger. Neither Oertel or Sprunger had landed a position on the varsity until their senior year, and both came through impressively, expecially during the last half of the season.

Other members of this year's varsity, who happily enough, will be back next year include juniors Wayne McCord, Bill Henke, John Wiese and John Prange; and sophomores Cedric Ransom, Jim Fish and Don Brune. However, some of these boys may be hard-pressed to hold their positions because Coaches Paul Payne and Vaughn Wood of the reserve and freshman teams, respectively, came up with some top-notch prospects.

These are the boys who will write the next exciting chapter in Warren Central basketball history. Warren's other rivals in county basketball, Franklin Township and Southport, saw their strong '51 teams wiped out by graduation.

And so the Warriors are ready to move back into the spotlight, and soon the local gym will again be jammed to capacity as it was when Warren had its last great teams in 1947 and 1949.

The 1951 senior class will not be able to share personally in any future triumphs on the basketball floor. But many of our number will be standing around the bonfire which will be blazing at 901 North Post Road on Saturday night, January 18, 1952 to help cheer - THE 1952 MARION COUNTY CHAMPIONS.

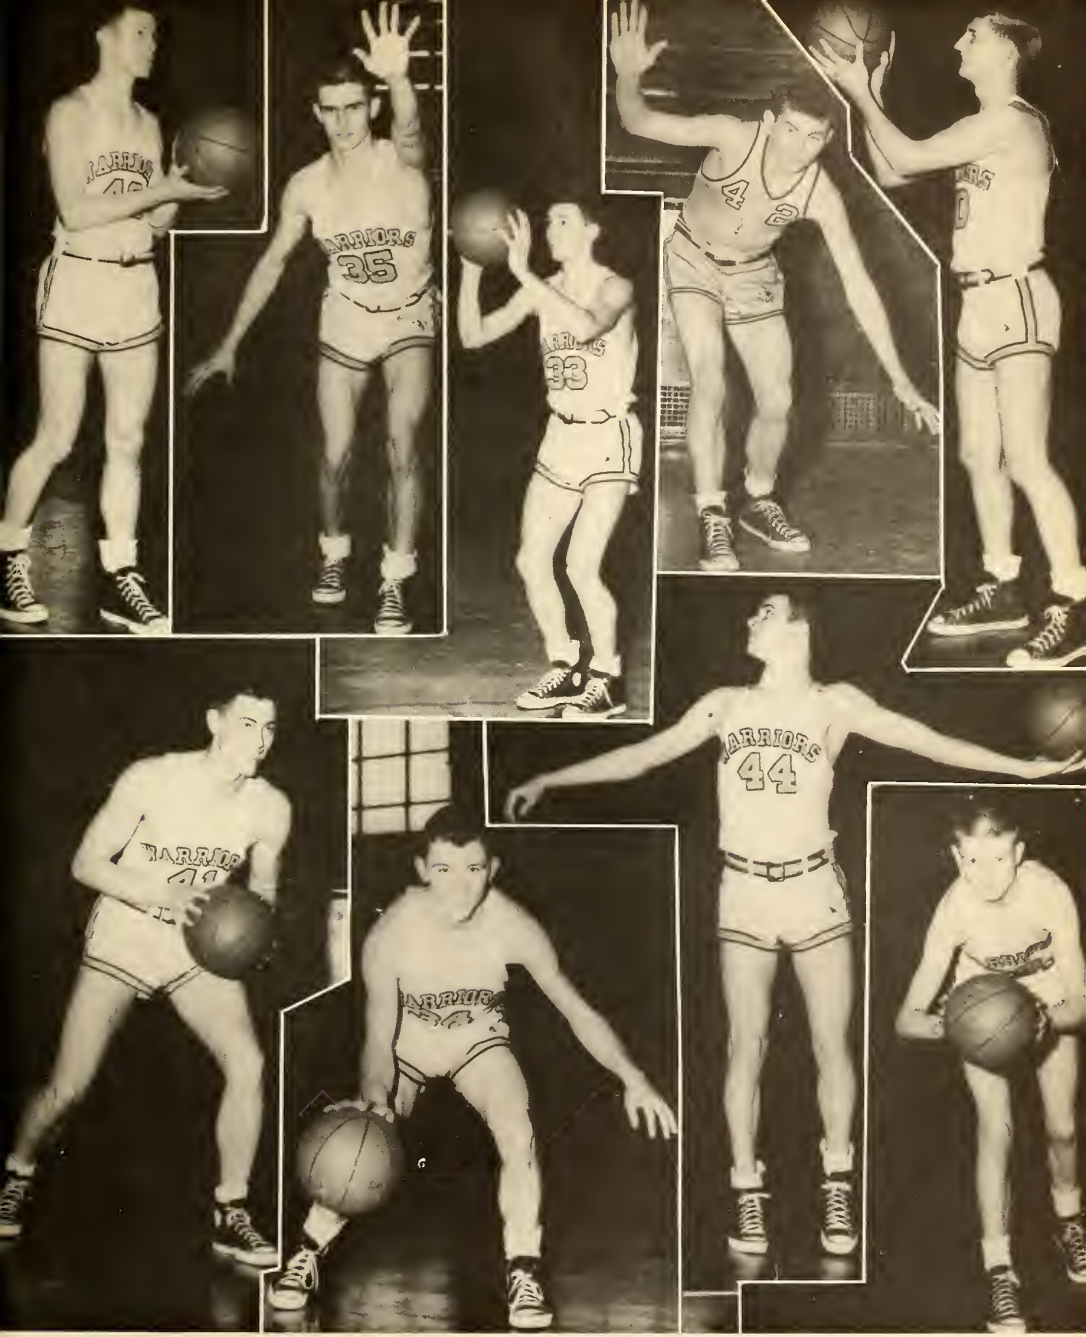
# They Hold Records--In Scoring and Length of Servic

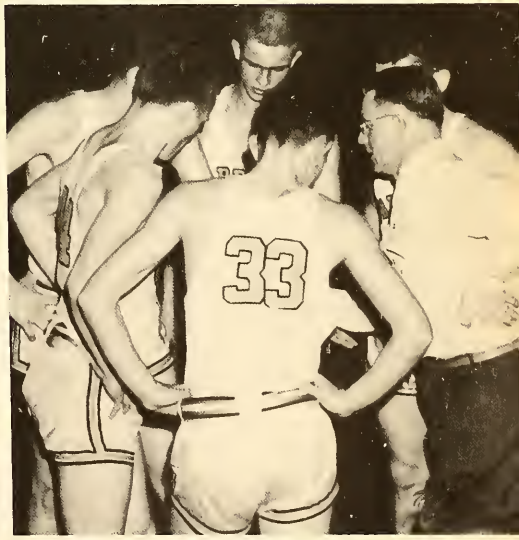
Senior Bob Hage, pictured above, completed his second season of varsity play this year, leaving behind some records which may be unequaled for some time. Although the Warriors of 1950-51 had a poor season, Hage broke at least ten principal records. His 35 points in the Greenfield game were the most ever made by any player on any Marion County school outside the city. During the entire season, he scored 354 points, a 17.7 average, both new marks for Warren. His 27 points against Cathedral was the greatest total ever made by a Warrior in sectional play.

Coach Ralph Clevenger completed 15 years of coaching at Warren before he was replaced at the end of this season. Mr. Clevenger's main disappointment was being unable to bring the county championship back to Warren. He brought both good and bad teams into tournament action, but the coveted title always eluded him. This year, a heartbreaking 41-40 loss to Ben Davis jolted the title bid again. Since the new coach will inherit seven returning lettermen in 1952, plus a promising group from the reserve and freshman teams, that long awaited trophy may not be long in coming.



The other nine members of the **1950-51 Warren Central basketball varsity** are pictured above. In the top row, left to right, are: Roger Oertel, Bill Henke, Cedric Ransom, Don Brune and John Wiese. Pictured in the bottom row, left to right, are: Jim Fish, Warren Sprunger, Wayne McCord and John Prange. In addition to Bob Hage, Oertel and Sprunger were seniors.

Upper Left ... Bill Henke would like to erase that one-point deficit on the scoreboard against the Greenfield Tigers ... Upper Right ... And here's Bill up to some more mischief... Lower Left ... Warren Sprunger scored on this sensational shot as Warriors beat Lawrence, 55-45 ... Lower Center ... Bob Hage and Roger Oertel swat at a rebound in the Greenfield game ... Lower Right ... Oertel lets fly as Speedway falls.



Upper left ... "Shall we dance?", a Greenfield opponent asks Wayne McCord ... Upper Right ... Manual's Dick Nyers and Hage, highest city, county scorers ... Left Center ... "We won!" - Hage and McCord after the Pike game ... Right Center ... "Let's talk this over" ... Lower Left ... McCord grabs a rebound as a Manual elbow pokes Hage ... Lower Right ... Hmmm, What's This? ... Oertel and two "unidentified" players scramble for ball.

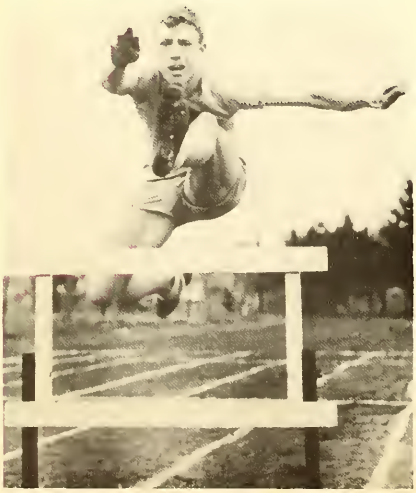
# Track

The county track champions for 1951 are shown above. They are, front row - left to right: Mr. Ralph Clevenger, Richard Peck, Wayne McCord, George Reilly, Roger Oertel, Carter Collins, Bill Black, Jack Laslie, Bill Henke, and Mr. Walter Mowrey. Second Row: Bill Smith, Don Brune, Jim Sorrell, Jimmy Hancock, Tom Pollard, John Prange, Cedric Ransom, Bill Hannah, Ronnie Reed, Jim Applegate and Verle Chappell. Third Row: Jim Heller, Mike Writt, Jim Fish, Allen Moore, Harvey Hodgin, Ronnie Hoff, Jerry Steffey and Mr. Vaughn Wood.

"Wait 'till next year" the unfaithful droned as the Warriors prepared what was expected to be a futile attempt to defend their Marion County championship at Washington High School, April 25th. The Tribe had copped seven consecutive county titles since 1944, but all those who had scored points for the locals in the 1950 meet had graduated.

However, Coach Walter Mowrey, who always figures his team will lose anyway, was no more pessimistic than usual as the meet opened on a windy, rainy afternoon at Washington. A fifty mile an hour headwind raced out of the southwest, blowing the high hurdles about like toothpicks, and intermittent billows of dust and drops of rain swept through the uncomfortable crowd and the assembled tracksters. It was this time that the upstart underclassmen of the Warriors chose for their moment to shine.

It was an uphill battle all the way. The Warriors pulled into a surprising lead as George Reilly and Roger Oertel raced to surprise victories in the mile and 440. But the heir apparent to the county title, Ben Davis, was keeping pace although Bill Black and Carter Collins added blue ribbons in the pole vault and the 220. The Warriors trailed Ben Davis, 30-29 before the mile relay and 36-33 after that event.



Then the victory came almost too easily. The half-mile relay team, anchored by swift Carter Collins, swept to a second place finish in the half-mile relay and added the six points needed for a 39-36 victory. In the same event, Ben Davis staggered in an ignominious seventh.

And so the surprised crowd filed out of the darkening field. All that was left now was the rising wind, and a drenching rainstorm which followed in the darkness. There was also an echo - an echo of cheers being given to s spirited group of underclassmen - not a great team perhaps, but a champion nonetheless.

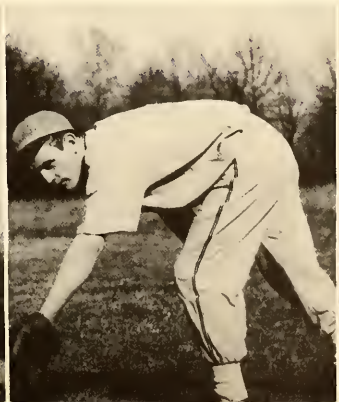
Baseball prospects were the brightest in years as the 1951 season started. Baseball was still comparatively new to the Warriors, but it is expected that Warren will soon become a power on the diamond within short time.

For the first time this year, a tourney was being planned to determine a county champion.

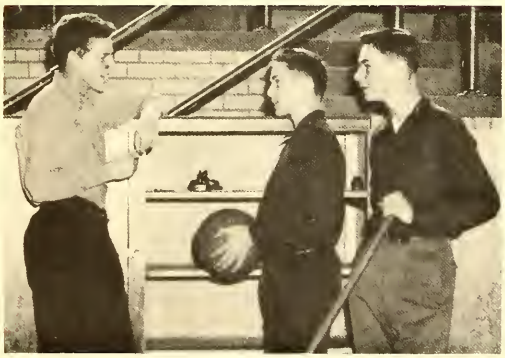
Leading performers for the 1951 tribe are shown below. Left to right, they are: Bob Hogan, catcher Warren Sprunger, shortstop Jack Burton, and first baseman Bob Hage. All are seniors.



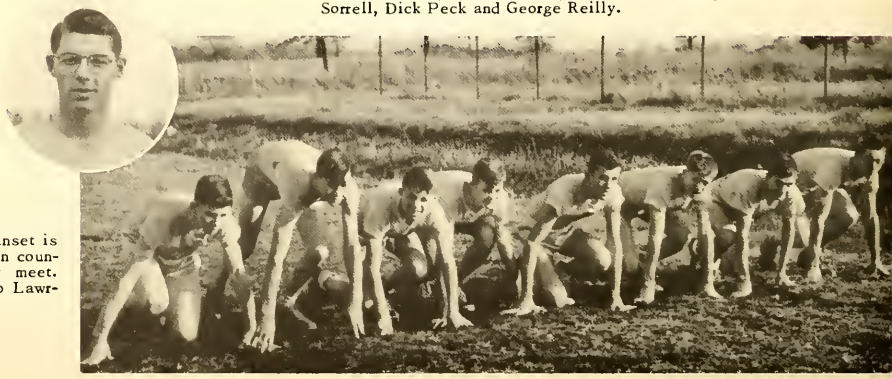
**Coach Walter Mowrey** has served as athletic director at Warren since the school was built in 1924. In the capacity of track coach, he has guided Warren to 14 Marion County Championships. Also, he accounted for four county titles in cross country and two in basketball before he resigned as coach of the hardwood sport in 1936.

Pictured whooping it up in the above picture as the Warriors stage a rally are cheerleaders Dot Howard, Dot Lucas and Alice Niemeyer.

Bob Dorn, Verle Chappell and Charles Smith (below) served as student managers for the Warriors during the 1950-51 athletic season.



Members of Coach Walter Mowrey's **cross country team** shown below are (left to right): Tom Pollard, Charles Smith, Frank Geiss, Lionel Parrish, Jim Sorrell, Dick Peck and George Reilly.



Shown in the inset is John Reilly, first in county cross country meet. But Warren lost to Lawrence, 27-28.
